25 YEAR PRODUCT WARRANTY REGISTRATION

I, the undersigned, hereby declare that the cabling links, installed by us at the above site address, comply with the following MSS Data Solutions requirements:

1. All links are comprised exclusively of new connecting hardware and cable from MSS Data Solutions.
2. All installation work has been undertaken in accordance with the current editions of the following:
 - a) the Australian Communications Authorities, "Cabling Provider Rules";
 - b) the installation and system design requirements of the AS/NZS 3080 Communications Cabling Standard; and
 - c) the manufacturer's installation specifications.
3. All links passed when initially tested.
4. Copies of the original link test results, together with any other documentation needed to locate specific links have been retained and they will be made available in the event of any warranty claim against MSS Data Solutions.

Terms & Conditions

This 25 Year Warranty covers MSS Data Solutions product only at the original site of installation from the date of installation. It does not cover labour or incidental costs. This 25 Year Warranty will be void if non-MSS Data Solutions product is installed on the network. Defective product must be returned to MSS Data Solutions for inspection. MSS Data Solutions will not accept claims sight unseen. MSS Data Solutions will repair or replace product once inspected and the claim has been approved with new or refurbished items at their discretion.
